June 06, 2013

Dear Lisa,

We are still very excited to have had you at our annual Be A Super SHero and Advocate for Animals event this past Saturday, June 1, 2013. After learning about animal safety, dog behaviors and having search dogs with us, our girls wanted to do something to give back to the community. We had girls in kindergarten through fifth grade. This hands-on activity was made challenging in the right ways to fit the needs of the girls.

Our community service project making dog toys through Knots of Fun engaged all of our participants and staff. Parents assisted their daughters and they, too, had a wonderful time getting involved in the creation of a soft and durable dog toy. Knots of Fun was fun, creative, engaging and taught the girls how they, too, can make a difference in an animal's life.

The Be A Super SHero and Advocate for Animals event provides resources and activities to help our participants inspire great support for animals in our community. This annual Girl Scouts program is made possible with the support of our community members like you.

Thank you very much! ¡Mil Gracias! Yours in Girl Scouting,

Ayari M Aguayo
